Thanks, everyone, for your fast responses! The updated June 20, 2013 "What's New" item has now been published. Is there anything I should change?

<http://www2.epa.gov/region8/pavillion> (click the link on the governor's letter, as well, and let me know if you'd like anything changed on that page)

Thanks,

Tim

Yup, I'll have it as the final of three bullets. Does that sound good? It'll be more spelled out, but it would basically look like this:

- Press release
- State investigation document

Letter from Bob P to Governor Mead

Is that OK?

Thanks,

Tim

I suggest we place as a link under the press release, state investigation document. Good?
